A History of Knowledge: Past, Present,... book by Charles ...

An ambitious book by Van Doren, "A History of Knowledge" presents a sweeping portrayal of knowledge and its developments from the time of the ancients to today and beyond. This portrayal is a relatively easy read, and Van Doren's style is alternately conversational and didactic. While it's a good book, I wouldn't recommend it unreservedly.

The History of Knowledge An increasingly powerful state was made possible by the creation of archival networks. Peter Burke | Published in History Today Volume 68 Issue 11 November 2018 Miniature of woman reading, from the Chronicles of the King of France, by Robert Gaguin, Paris, 1514.

The History of Knowledge | History Today

The history of knowledge has traditionally been studied from a restricted perspective that favors innovation over implementation, transmission and transformation. In the past, historians of science and technology have often focused on the question of who was the first to discover a fact that later became a key innovation and when this took place.

From the History of Science to the History of Knowledge ...

Both product and basis of human interactions, knowledge has a history. Indeed, human history cannot be understood apart from the history of knowledge. This blog serves as a venue for the exchange of ideas and information on the history of knowledge.

History of Knowledge: About

The first way in which we gain knowledge of the past is through historical evidence ("sources"). Two questions raise themselves: How can we extract knowledge from the sources? (issues of quality and quantity) How useful is the knowledge that we extract in this way? (issues of comprehensibility and the 'language gap')
