and careers. Perhaps the best step is to take the following link to the Royal Society of Chemistry website where there are interviews with chemists in a huge range of careers from material sciences, no end of medical ...

A level Chemistry

Achieving an A* in A Level chemistry is difficult - only around 1 in 10 students achieve this grade each summer. Contrary to popular belief, you don't need to be a chemistry-loving genius that eats, sleeps and drinks the subject 24/7 to get an A*, rather, it takes a lot of hard work and careful preparation that should start from day one.
