### Alcoholics Anonymous: Cult or Cure? - George E. Vaillant, 2005

Charles Bufe begins AA: Cult or Cure with a description of a standard AA meeting—dominated by a few people who tell their same, self-serving stories for the umpteenth time, the proceedings unfocussed and unhelpful, the environment filled with smoke and other unhealthy environmental contaminants—from which most people leave with basic psychological and social needs unmet.

### Introduction to Charles Bufe's AA: Cult or Cure

To its critics Alcoholics Anonymous (AA) is at best as a placebo, competing with more effective treatments and at worst a dangerous cult [1-4]. For its supporters the fact that AA received the Lasker Award (America's highest scientific prize for medical progress) seems quite justified [5, p.573]. But for many the jury remains out.
