Anthony D Smith On Nations

Anthony David Stephen Smith was a British historical sociologist who, at the time of his death, was Professor Emeritus of Nationalism and Ethnicity at the London School of Economics. He is considered one of the founders of the interdisciplinary field of nationalism studies. Smith took his first degree in classics and philosophy at Oxford University and his master's degree and doctorate in sociology at the London School of Economics. He was the first president of the Association for the Study of

Anthony D. Smith - Wikipedia

Smith discusses the development of nations in the context of the French Revolution, when the modern concept of citizenship entered the picture, and here his narrative lets up a bit. Devoting most of the book to ethnicity, when he comes to discussing the two main types of modern nations - territorial (or non-ethnic) and ethnic - he spends too much time on the latter and not enough on former.

Anthony Smith is the foremost scholar of nationalism in this country, and in this relatively short book he distils a considerable quantity of his formidable theoretical and historical knowledge of the phenomenon. Whatever one's attitude to nationalism, one is likely to find much to engage one's interest here.

Amazon.com: Nations and Nationalism in a Global Era ...

This paper offers a critical assessment of Anthony D. Smith's classical definition of the nation. In so doing, it argues that Smith fails to establish a clear-cut distinction between the concept of nation and state, since he attributes to the nation some of the features of the state, for instance the sharing of legal rights and duties among all its members.

Interview - Anthony D. Smith - E-International Relations

Anthony Smith, a British sociologist, is a longtime student of this question. His latest book, examining the nature, causes and consequences of national identity, could not be more relevant to our times. Nations and nationalism, he argues, are not simply political bodies and ideology, but cultural phenomena.
