However, converting Kindle ebooks to other formats can be a hassle, even if they're not protected by DRM, so users of other readers are better off looking elsewhere.

Ard Head Cat Engine

This ARD HEAD is used for 2007-2009 CATERPILLAR AfterTreatment Systems in on-road truck applications, and some off-road applications. This was one of the first Caterpillar Aftertreatment strategies used to burn particulate matter (or soot) in the diesel particulate filter. This ARD Head can fail over time, stopping the regeneration function of the CAT aftertreatment system, and plugging the DPF core.

Lawsuits allege Caterpillar concealed defects in 2007-2010 ...

I recently discovered a cleaning fluid for the CAT ARD heads that is recommended to be used at every engine oil change and can clean them when having ignition issues. I have looked for documentation and found none. The single bottle part number is 308-1504 which comes with instructions for each engine and 304-7756 looks like a box of 12 bottles. This may be a good practice for these newer engines!
