## Read Free Baseball Bat Fitting Guide

Baseball bats are sized in four different ways; based on weight drop, a Length / Weight ratio, by barrel size, and by barrel taper. Typically, your bat size should relate to your age, size, and skill level, although as you become more experienced at the plate, you may develop a bat size preference that fits your style.

### **How to Buy a Baseball Bat / Softball Bat - Baseball Bat ...**

1. Have them place the bottom of the bat in the center of their chest, pointing it to the side, parallel to their outstretched arm. If they can comfortably reach the top of the bat with the palm of their hand, the bat is the right length. 2. Position the bottom of the bat in the center of their chest, facing outward.

### **How to Buy a Tee Ball Bat | PRO TIPS by DICK'S Sporting Goods**

There are three ways to measure whether a bat is the right length: Place the bat knob at the center of your chest and extend the barrel out toward your fingertips. If you can touch the end of the bat with your fingertips, the bat is an appropriate size. Place the bottom knob of the bat in the center of your chest facing outward.
