Liking your student is a positive aspect of any teacher-student relationship. The problem at hand is that you are trying to take that relationship to a next level. How does it matter whether its Love or Infatuation, as the girl involved is too yo...

I like a girl a lot. But the problem is that I am teacher ...

I've seen this happen on several occasions. In high school one of the handsomer male teachers became enamored with a classmate of mine. He did nothing until 1) she graduated, and 2) she turned 18. I later heard they eventually married. While in co...

What do I do if I fell in love with my student? - Quora

Pretty sure she checked that box, that said she can be claimed as my dependent. That's probably the problem, which is pretty dumb if you ask me. She hasn't been able to work, as her job was pretty much ruined due to Covid, and she's been unable to find anything else yet. She can't even get unemployment as she was told she doesn't make enough.

If I claim my child as a dependent can she still file her ...
