clone fable counts ...

A Number is a clever play, so you can see why someone would think it was a good idea to transfer it into a TV piece. The experiment works in some respect. Tom Wilkinson is good in his role, giving Salter all the qualities that make us want to like him and loath him all at the same time.

Caryl Churchill's play 'A Number' is about the ethics of human cloning - at least on the surface. I say 'on the surface' because to me as a philosopher, the questions she asks strike me as working at a deeper existential level. The play leaves out the debate we typically associate with cloning.

Churchill - a philosophical analysis

Caryl Churchill's A Number is a play that explores the issue of human cloning through the relationships between a father and his three sons. A tight two-hander taking place in a not-too-far off future, Churchill's play is a philosophical investigation into free will and the question of nature versus nurture.
