Self and Soul: Exploring the Boundary between ...

Boundaries and multiple relationships. When addressing religious and spiritual issues in psychotherapy with clients, psychotherapists should be cognizant of the potential to move from the role of psychotherapist to the role of the clergy.

Integrating Spirituality and Religion into Psychotherapy ...

Boundaries can be ephemeral and often confusing, in part because they embody the often-unclear lines of connection and separation in a relationship. In psychotherapy, a significant amount of work is done within the relationship between therapist and client. Individuals have an opportunity to work on their relational difficulties.

What's the Limit? Maintaining and Understanding Boundaries ...

Boundaries in the Psychotherapy Relationship In psychotherapy there is a need for rules and expectations to be discussed and agreed upon in order for the relationship to be acceptable and successful for all parties. Boundaries constitute the agreed upon rules and expectations that articulate the parameters of the relationship.

Boundaries and Multiple Relationships in Psychotherapy ...

Boundaries exist to protect the therapy; they are not the therapy itself. It is quite possible for a therapist to keep the boundary and lose the patient, by enforcing boundaries in a restrictive ...

Drawing Boundaries | Psychology Today

Identify a spiritual power that you believe in, and write it in the middle of your paper using special lettering, i.e. God, Spirit, Nature, Love, etc. Using color and image, depict six qualities of the spiritual power in a circle around the word, such as "All-knowing," "Healing," or "Unconditional Love."

From 2003 to 2010, she was a board member of the Society for the Integration of Spirituality and Psychotherapy, a professional organization exploring the common boundary between psychological healing and spiritual growth. Dayle can be reached at: ☎ 404-663-1650 DAYLE@LULLWATERCOUNSELING.COM

Our Therapists — Lullwater Counseling

In Positive and Transpersonal Approaches to Therapy, Roger Walsh works with a young woman who is questioning her religious faith and related conventional views of religion and spirituality.. In his deeply empathic approach to therapy, Dr. Walsh explores the client's existential and spiritual anxieties and helps her to recognize them as part of a positive developmental process.

Positive and Transpersonal Approaches to Therapy

In fact, the major theme of Ordinary Mind, that there is no sharp boundary between psychology and spirituality, is so well made that the reader will surely have to question any prior assumptions about what psychology is and what spiritual practice is.
