When considering how to answer, I strongly recommend using authentic examples from your past experiences, as opposed to giving a fabricated or made up account. 2. Avoid Stock Answers. It is tempting to use a competency answer from a book or online and pass it off as your own. I strongly recommend against this.

COMMUNICATION APPLICATIONS COURSE OUTLINE

I feel inspired to teach a course based on this book and help spread the word.' Omer Reingold - Stanford University, California
'This book is a much-needed introductory text on communication complexity. It will bring the reader up to speed on both classical and more recent lower bound techniques, and on key application areas.

Communication Complexity by Anup Rao

Using This Book (For the professional) Interpersonal communication is the process of sending and receiving messages with another person. This process sounds and appears to be easy. However, in reality, communication involves a very complex set of skills, as complex as those necessary for driving a car or reading a map. Part of the
