In my humble opinion, "Food Photography: From Snapshots to Great Shots" by Nicole S. Young is one of such materials. While it might seem a little easy or lacking for seasoned food photographers, it is a great place to start for those wanting to learn the basics of food photography.

### Food Photography: From Snapshots to Great Shots Review ...

I'm still figuring out all the ropes to my DSLR camera, but one thing I have wanted to learn for awhile is food photography. While a good camera can help with your photographs, I've learned that it's really the photographer that creates beautiful shots. Food Photography: From Snapshots to Great Shots is a book that I devoured. I have read a few photography books, but this one was simply awesome.
