create your own civilization project | Politics | Free 30 ...

1) Choose a name to represent your civilization. Also you can choose colors or an appropriate symbol. Be creative and do not use just your name, for example: Mike's civilization would not be something I would be looking for when grading on creativity. The name may be as silly or serious as you like as long as it is school appropriate.

Create Your Own Civilization: Process

You must base your civilization on what you determine are the best aspects of the first four river valley civilizations that we have studied (Mesopotamia, Egypt, India, China). However, you can also create your own, original components and blend historical components together to create your ideal "hybrid" components.
