The Mayflower has been designed as a plank-on-bulkhead kit. Many of the elements have been laser cut for you and only need some minor sanding before assembly. Cut all of the laser cut elements free with a sharp blade to avoid splitting them. Be sure to sand any "burn" residue from the part edges before applying any glue for assembly.

Mayflower was an English ship that transported the first English Puritans, known today as the Pilgrims, from England to the New World in 1620. After a grueling 10 weeks at sea, the Mayflower, with 102 passengers and a crew of about 30, reached America, dropping anchor near the tip of Cape Cod on November 11, 1620.. The Puritans believed that the Church of England was beyond redemption due its ...
