Design Research: Methods and Perspectives - Brenda Laurel ...

Design Research: Methods and Perspectives. November 14, 2011 in Design by Stephanie Hamilton. Design can oftentimes be thought of as subjective. Everyone thinks they know what looks good but in reality they prefer what looks good to them. And while there are rules to design such as contrast, balance, and proportion, we for the most part have our own preferences as to what looks good.

Design Research: Methods and Perspectives
