Education Ellen G White

Education. Education sets forth the unique and challenging idea that "the work of education and the work of redemption are one." The ultimate goal of all learning should be to understand more about our Creator-Redeemer and to reflect that understanding in our personal lives. In her writings on this subject, Ellen White presented the great, guiding principles that make up true education in its broadest sense.

Education — Ellen G. White Writings

True education means more than the pursuit of a certain course of study. It means more than a preparation for the life that now is. It has to do with the whole being, and with the whole period of existence possible to man. It is the harmonious development of the physical, the mental, and the spiritual powers.

“Education” Book Summary - Highest Education

The neglect of the child's earliest training, and the consequent strengthening of wrong tendencies, makes his after education more [296] difficult, and causes discipline to be too often a painful process. Painful it must be to the lower nature, crossing, as it does, the natural desires and inclinations; but the pain may be lost sight of in a ...

Education, by Ellen G. White. Chapter 34: Discipline

Ellen White said that one of the most delicate tasks in life was working with youthful minds. Teaching should be varied which can make it possible for the 'high and noble powers of the mind' to have a chance to progress. Educators of youth should be gentle and loving and have self control.
