Erotic Comics A Graphic History

This international survey of erotic comics chronicles a groundbreaking form of sexual expression up to 1970, the years when mainstream culture spurned explicit eroticism. In the 1930s, American "Tijuana Bibles," little pornographic comic books that parodied popular comics and comic strips, were widely available.

As you might expect with a book called Erotic Comics: A Graphic History, I've not had much chance to read the text but I have looked at the pictures... and I'm still managing to type with both hands. That's not meant as a criticism. This is 'erotic' comics rather than outright pornography so, as they say in Bladerunner, reaction time is a factor.
