on my envoy i installed an aftermarket radio and i did not get the fancy wiring harness that lets you keep your door chimes etc...i got the \$15 job and apparently the factory harness does not have an ignition wire to make aftermarket radio come on so i tested wires in factory harness and found one that came on with key instead of running one from steering column like i prolly should have,and ...

### electrical codes - 2002 GMC Envoy - RepairPal.com

(2002 GMC Envoy) The sound was coming out of the speakers fine yesterday and have never had any problems. When I turned my vehicle back on a couple of hours later the radio display was fine and the volume was normal but no sound was coming out. I checked again today and still no sound coming out but the radio appears to be working fine.
