Keihin Vb31a

Bumping this thread with some possibly very important info in a design change that Keihin made between the VB21's and later model carbs. On the left is the slide spring from a 21B carb, on the right is a slide spring from a 22A. As you can see the spring used in the 22A is much smaller and while I don't have a tool to test the compression, it ...

Keihin Carburetor Honda For Sale - Replacement Engine Parts

Keihin carburetors are only legal in California for racing vehicles, which may never be driven on public highways or waterways. Keihin carburetors are designed to be used with normal pump gasoline. Fuels that contain over 10% alcohol content may damage parts in the carburetors. This may prevent the carburetor from functioning properly.
