Medieval Wall Paintings (Shire Library) - Kogan.com

This is a short book about medieval church wall paintings in England and Wales. It has many illustrations. The author was an expert in this field as both a trained artists and an academic and does a good job explaining the subject. The church paintings were mostly lost in the Reformation; before then, all churches were highly painted inside.

Shire moved to Osprey's Oxford offices and Nick Wright took over as Publisher, immediately drawing up plans to re-launch the list. The new vision for Shire was to increase the number of new books published each year, introduce fresh new cover and text designs and reintroduce old Shire favourites that had been out of print for years.

In the Middle Ages, it was thought that praying at the right shrine could save you from just about anything, from madness and famine to false imprisonment and even shipwreck. Kingdoms, cities, and even individual trades had patron saints who would protect them from misfortune and bring them wealth and prosperity, and their feast days were celebrated with public holidays and pageants. With ...
