My Country Right or Left by George Orwell. Contrary to popular belief, the past was not more eventful than the present. It seems so it is because when you look backward things that happened years apart are telescoped together, and because very few of your memories come to you genuinely virgin. It is largely because of the books, films and reminiscences that have come between that the war of 1914-18 is now supposed to have had some tremendous, epic quality that the present one lacks.

## **My Country Right or Left by George Orwell**

The phrase, "My country right or wrong" has become one of the greatest quotes in American history. It has the ability to fill your heart with patriotic fervor. However, some linguistic experts believe that this phrase could be a bit too potent for an immature patriot. It could foster an imbalanced view of one's own nation.
