Hi! I teach both OB and Peds clinicals for first year students. One of the things I found to be helpful is giving the students study guides with questions relating to the PP, newborn, and L&D areas. They have to look up the answers prior to the first clinical to give them some sort of awareness.

New clinical instructor for ob/peds advice - Ob/Gyn ...

That way the students had role models and "real" nurses to ask questions about practice issues. For instance, in OB we had a nurse/mid-wife, SANE nurse, male nurse (talked on OR issues but had different perspective), case manager---you get the picture.
