One of the great epics of British imperial history, and perhaps the best remembered episode of the Anglo-Boer war of 1899-1902, is presented from a wholly novel perspective. "At the same time, the diary provides an intriguing insight into the character of a young man who was to play a key role in South African political and literary history during the first three decades of this century.

He was an officer in the British Army's Imperial Yeomanry and was stationed at Fort Wonderboom in Pretoria, South Africa during the Second Boer War. The diary does not include a year, but context clues show that it was written in the year 1900. The diary takes the form of letters that the officer sent home during the war.

Second Boer War Diary by an Officer of the Imperial ...

I agree , reading the diaries and letters of these soldiers is really rather special. I am just transcribing the diary of Alfred Nay, Middlesex Rgt who served on Spion Kop. While the Boers tried hard to kill them so did the commissariat making them fight and march on one biscuit a day for weeks on end. Tough guys.
