Pack Challenge I have been waiting for this book to come out on audible for a couple of years now. Great story. Good plot. Awesome character development. Hot romantic moments. A couple fight scenes too. A great story about removing an obstacle to allow for a life to bloom in the manner it was meant to be to begin with.

I agree with MegS about starting with PACK CHALLENGE (Magnus Pack #1). If you have Kindle Unlimited the Magnus Pack books can be read free. There does seem to be an overall arc to the books and mentions or popup appearances in later books. You could however start with the Pride series but should reach each of these series in order.
