NEHA Credential Study Guides have been developed by industry professionals to help prepare candidates for credential exams. We suggest the following manuals but they are not meant to be the only study reference for candidates in order to achieve a passing score.

Credential Study Guides - NEHA

Wonderful study guide for a very difficult exam. Without this book I don't think I would have passed the first try. It didn't cover everything I encountered on the NEHA REHS exam but it came close. There is so much information out there it can be overwhelming, but with this book alone, the test seems much friendlier.
