This reference work for Russian grammar is a more valuable book to hang on to than a textbook on Russian would be. It breaks the complex Russian grammatical system down into neatly-indexed sections, which can be quickly used in preparation for tests, as an assist for homework, or as a memory-jog in preparation for regular use of the language.

I teach Russian at the high school
level. The Schaum's Russian Grammar
outline has the clearest explanation of
the difficult subject of Russian motion
verbs that I have ever seen. The author,
Dr. James Levine, divides the Russian
subjunctive into The Conditional (260)
and The Subjunctive (262).

Schaum's Outline of Russian Grammar book by James S. Levine

Nina Potapova has written a very good grammar, but it is very extensive and sometimes complicated. Schaum's grammar has simplified and modernize the structure of the language to make it accessible to the beginner and the professional. Easy to carry when you travel and handy when needed in real life situations.
