### The Concept Of Man In

The concept of "man" is beyond grammar and logic. "Man" is an invention of society, in the same way that "being" is an invention of metaphysics. Citizenship has become the basis of the equality of people, albeit wrongly. Bias, not the concept of nationhood, has something to do with it.

The Concept of Man in Contemporary China claims that the most striking political theories and policies of the contemporary period rest on distinctly Chinese theories of mind. Many of these theories contrast dramatically with long-held Western beliefs, key among them the insistence on the commingling of rational thought, the emotions, and motives.

### The Concept of Man in Contemporary China (Volume 3 ...

In this essay, Nietzsche attacks both the historicism of man (the idea that man is created through history) and the idea that one can possibly have an objective concept of man, since a major aspect of man resides in his subjectivity.
