The golf swing is a combination move: the body turns, the hands and arms react, the motion oiled and synchronized with the natural hingeing or "cocking" of the wrists that first stores and then releases energy.

The Secret of Golf - Golf Today

When the hands stay ahead of the Line of Tension until after impact, that's it, that is the SECRET OF GOLF. That is how to "Sustain the Line of Compression" and control the club face until after the ball has been struck. When you achieve this position, your body will naturally position itself to support this arm and hand position.
