Amazon.com: The Unwritten Laws of Business eBook: King, W ...

Summary of "The Unwritten Laws of Business" : To succeed in your career, you must understand and apply many unwritten rules with respect to the work, the chain of command, colleagues, project management, the organizational structure, what managers expect from their subordinates, character, personality, and personal development; sometimes these laws seem obvious but even so, those presented in this book are regularly forgotten.

The Unwritten Laws of Business - Books that can change ...

This book of short rules or "unwritten laws" harks back to 1944, when W.J. King, a mechanical engineer, penned a pamphlet of management advice for the American Society of Mechanical Engineers (ASME). In an era when most training happened on the job - if at all - this must have been a welcome guide. The little book has a big history.
