Four Arguments For The Elimination Of Television

Materialism holds that the only thing that can be truly proven to exist is matter. Thus, according to Materialism, all things are composed of material and all phenomena are the result of material interactions, with no accounting of spirit or consciousness. As well as a general concept in Metaphysics, it is more specifically applied to the mind-body problem in Philosophy of Mind.

New Materialism The new materialisms are a range of contemporary perspectives in the arts, humanities and social sciences that have in common a theoretical and practical 'turn to matter'. Many new materialists treat their work as discontinuous with the historical materialism of Hegel and Marx, whereas others recognise a connection via the ...

New Materialism - GLOBAL SOCIAL THEORY

Taken to an extreme, materialism can lead to many consumers spending more than they can afford, accumulating debt on high-interest credit cards or acquiring large mortgages for larger homes than they need or can afford. The nation witnessed this in late 2007 and early 2008, with the collapse of the housing market.
